The image shows two potted plants. On the left, a tall, slender plant with dark green, glossy leaves is in a tall, cylindrical, light-colored cork pot. On the right, a shorter, bushier plant with similar leaves is in a wider, rectangular, light-colored cork pot. The pots have a textured, ribbed surface. The background is a plain, light-colored wall.

# NATURE IN A POT

## ökologisch aus 100% recyceltem Kork

Otium lanciert eine neue Reihe von Pflanzgefäßen aus exklusiven und nachhaltigen Materialien. Wir machen neue Produkte mit 100% recyceltem Kork. Zum einen brauchen wir gebrauchte Weinkorkzapfen und zum anderen den Rest von natürlichem Kork, aus welchem Korkzapfen gestanzt werden. Ausserdem werden speziell entwickelte Verbindungen gebraucht, um die Pflanzgefäße wie aus Naturton aussehen zu lassen. Die Gefäße werden mit Werkzeugen so verarbeitet, dass feine Linien auf der Oberfläche entstehen. Diese sollen dem Betrachter ein wärmendes Gefühl für die Töpfe geben.
